

Central Region Chair Candidate

Name: **Martin Lee**

Employment Position: **Electronics Technician**

Office Branch and City, State: **National Weather Service WFO Duluth, MN**

Martin has actively served the NWSEO since 1990. Martin has a degree in Electronics from USD, worked in Rapid City, Huron, Minneapolis, and Duluth.

Martin served employees across CR, responding to many grievances. Martin initiated the Awards grievance; the awards budget was reinstated. Martin's results: The CR Vacancy List, this concept has been adopted beyond CR. Voluntarily operational proficiency shifts for Mets, HMT, and Hydrologists. Martin has resolved several disciplinary actions to the employees' favor. Martin has challenged Mgt. when they: changed a fixed schedule, changed a 4 day schedule break, not followed OPM Leave Requests policy, not posted schedules, OT to BUEs first, LOT-RLC agreements followed.

Martin is active on the NWSEO Financial Committee over-seeing expenditures benefiting NWSEO members. Martin participated in NLC meetings, helping the ASA's upgrade.

Martin's got your back during changes within the NWS, from Modernization, CONOPS, ESTF, IBW, DSS and is eager to help make the NWS a better Weather Ready Nation. Local knows best on staffing levels, Mets-HMT: 5-5-5, 5-4-5, 5-5-4. Vote for Martin for experience.
