

NO CONOPS 2

\$100 New Member Rebate Extended through December 31, 2016

(December 6, 2016) NWSEO is extending the \$100 new member rebate for any new member who joins NWSEO by [1187 for payroll deduction](#) by December 31, 2016. New members should write, "NO CONOPS 2" on the top of the 1187 form along with their recruiter's name. Please email or fax signed 1187 forms to NWSEO Membership Director Christy Fox at membership@nwseo.org or fax: 202-600-2145.

Please share with your co-workers the information regarding the NWS plans to downsize and consolidate weather forecast offices. The NWS PowerPoint slide prepared for the Agency's July 2016 briefing to the Deputy Secretary of Commerce details these CONOPS 2 plans and is available at http://nwseo.org/member_news.php.

NWSEO has carefully analyzed the National Weather Service's plans to restructure with a consolidated forecast and part-time offices. NWSEO's greatest concerns about this plan are degradation of service to the American public as the expertise of the local forecaster is removed from the forecast. The union maintains that the ownership of the forecast must be at the final point of delivery.

NWSEO is the only organization with the ability to lobby Congress and the Administration to preserve NWS jobs, promote better working conditions and career promotions for NWS, and participate in collective bargaining.

Many thanks for your support on NWSEO. Your membership is the strength of our professional organization.

*December 31 is a Saturday. As long as the signed 1187 is faxed or email to NWSEO Membership Director Christy Fox by midnight on Saturday, Dec. 31, the rebate is valid.
