NWSEO asks that you do not share the web address and password with non-members. However we would greatly appreciate it if you would use this benefit in your recruitment efforts. Membership is the strength behind NWSEO. This year, increasing our membership numbers is critical to NWSEO's success as we work to negotiate the new Collective Bargaining Agreement, protect jobs, and fill understaffed offices. Please remind non-members of the continuous work of NWSEO, the \$300 Health and Wellness Benefit secured by NWSEO, and the many achievements of our professional organization found on the [NWSEO Recruitment page](#).
