## How Has NWSEO Benefited You?

*Lisa May, former ASA and currently HMT  
WFO Shreveport, LA  
NWSEO Member 10 years*

I am a believer that NWSEO is working for me and representing the Bargaining Unit Employees of:

The Attorneys in NOAA Office of General Counsel (NAG)

The Technicians who track and command our Nation's Satellites from Wallops Island, Va. and Suitland, Md. (NESDIS)

The Civilian Crew of the "Hurricane Hunter" Aircraft (AOC)

The Hurricane Researchers, Scientists and Support Personnel at the Atlantic Oceanographic and Meteorological Laboratory (AOML)

The Bargaining Unit Employees of the National Weather Service

*"NWSEO has been very supportive in my career, first as an ASA and now as an HMT. I love the work I do and the mission of the NWS, and love the fact the NWSEO has my back so to speak. I am honored by the hard work, dedication and commitment of the NWSEO Representatives who really make things happen for all of us. I am a proud NWSEO member and ask those who are not NWSEO Members to join today!"*
